

Jiangsu Gadot Nuobei Biochemical Co., Ltd.

October 8th, 2009
GMO-2

TO WHOM IT MAY CONCERN,

We hereby declare that products listed below, manufactured by **Jiangsu Gadot Nuobei Biochemical Co., Ltd. Yancheng, China:**

Citric Acid

are produced without any involvement of recombinant DNA technology.

No recombinant microorganisms or products derived from recombinant DNA technology are involved in the production of those products. Our main and only organic raw material is cassava which has never been genetically modified and the other raw materials are from inorganic source. Since this is the case and since our products are not proteins there is no meaning to the term I.P.

Please see this declaration as a statement of compliance to the 1829/2003 and 1830/2003 EU standards.

We will inform our customers about any change in the status of those products.

**Best regards,
Jiangsu Gadot Nuobei Biochemical Co., Ltd.**
